Mobile phone chargers suit various devices

Handpicked by our market analysts, this gallery showcases 12 China releases that represent the current trends in mobile phone chargers.

The growing variety of smartphones has given birth to a strong demand for multifunction mobile phone chargers that encompass safety and performance. Models with multiple ports are the mainstream while chargers with larger output are equally in demand.

The ability to distribute output currency while charging several devices simultaneously is also a strong selling point.

Targeted at travelers, chargers with compact designs and changeable plugs are gaining ground.

Many releases from China also provide devices with protection against overheat, -current and -charge, and meet CE, FCC, UL, RoHS and REACH standards.

The gallery highlights latest trends in mobile phone chargers from China manufacturers.

5V/5.1A universal travel charger with 4 USB ports

The model TR-203 universal mobile phone charger from Shell Electronic Ltd has an input of 100 to 240VAC, 0.8A max at 50 to 60Hz and an output of 5V/5100mA. With four USB ports, the model meets UL, CE, RoHS and ERP standards. MOQ is 3,000 units with three to four weeks lead time. FOB price is $5.50.

Buyer demand trends on GlobalSources.com

Mobile phone accessories

Online metrics are taken from buyer and supplier activity in the featured product group on www.globalsources.com in the month preceding publication of this eBook.

- **Buyer requests** track total inquiries from our independently verified worldwide community of more than 1 million buyers.
- **Product profiles** represent the total number of unique products available from export-ready suppliers in our easily searchable catalogs.
- **New product postings** indicate the number of new product profiles added to our website by suppliers during the period.

For these and thousands of other categories, visit Global Sources online and sign up for Product Alerts to receive the latest supplier postings. Use the website's Product Search function to find hundreds of products and send inquiries directly to verified exporters.
