# In-dash DVD player display quality boosted

Many models adopt HD or TFT screens, displaying important navigation data and other multimedia features.

Displays that complement the latest multimedia features are emphasized in this selection of in-dash DVD players from China makers. One model, for example, shows navigation data on a touchscreen display from HannStar.

DVD, GPS and navigation functions are supported. Handsfree calls are allowed in some units, while a dialing panel is utilized in others. Models work with most video and file formats.

Bluetooth connectivity is the standard, but some units allow Wi-Fi to interact with smartphones.

Makers are also boosting their displays by adopting HD screens. TFT is popular in some models with resolutions reaching up to 1024x600 pixels. Screen sizes range from 6 to 10.1in.

China makers are likewise beefing up production of units for big car brands such as Nissan, Toyota and Mercedes-Benz. Units in this selection are Windows- or Android-based.

Here are 9 models handpicked by our Market Analysts for representing the current trends in in-dash DVD players.

## For Volkswagen Golf 7

Coagent Electronics S&T Co. Ltd's model CA368-DQ8 in-dash DVD player is designed for popular, the Volkswagen Golf 7. The model has an 8in touchscreen display with a resolution of 800x480 pixels. The in-dash DVD player runs on Windows CE 6.0. It is powered by a CSR A9 800MHz CPU with 256MB DDR and 256MB flash. Functions include navigation, multimedia, radio, digital TV box, parking view and backing radar. MOQ is 32 units.

### Global Sources supplier rankings

★★★★★★

Suppliers are ranked using a 6-star ranking system. Companies with a higher star ranking provide more business information and verification reports on their Global Sources online homepages. Suppliers rated 5 or 6 stars have a Credit Check report from First Advantage or Sino-Trust and a Supplier Capability Assessment report provided by Bureau Veritas online. The rankings are correct at the time of publication and may be subject to change.

Monthly capacity (units)	Total staff	Number of R&D staff	Number of engineers	Brand names	
10,000 to 20,000	4,500 to 5,000	More than 99	1,000 to 2,499	Caska	<a href="#">CONTACT SUPPLIER</a>
